Elite Travel Team

ENROLLMENT POLICY AND FINANCIAL AGREEMENT

Please read this form carefully as when you sign the commitment form you are agreeing to these guidelines.

The commitment document will be kept in your athlete's file.

Enrollment and Dis-enrollment

- All teams require a 12 month enrollment commitment.**
- \$160 (regional travel) or \$329 (elite travel) is due upon enrollment.**
- In the event the enrollment commitment must be broken, a written 30 day advanced notice is required for withdrawal from the program to avoid an additional monthly fee. If the athlete quits post enrollment, all tuition, installments, and competition payments will be forfeited. There are NO refunds. We cannot guarantee the same team position should the athlete decide to return.**

Quitting mid season incurs a \$300 fee above and beyond any of the normal payment plan as part of the program. This will be money that is put towards the extra effort and time spent correcting the deficiency in the team routine as your child's position has to be filled or replaced in national choreography.

Monthly fees

- **\$160 (regional travel) or \$329 (elite travel) per month – April through March**

Inclusive of tuition, camp, choreography/music, competition fees (including OR and/or WA Nationals), competition accessories, and bus fee (camp or Portland competition)

- **Payments are due on the 1st of every month and late after the 5th. A \$25.00 late fee will be charged if payment is not received by the 5th of the month. A \$25.00 fee will be charged on all returned checks. Team tuition is based on 12 calendar months. Some months have 4 weeks and some have 5 weeks. Gym closures/vacation time is already factored into tuition and will not be refunded or prorated. Tuition will not be prorated for injury, sickness, or required family visitation.**

- **If monthly payment is not received by the 5th, your athlete may not be allowed to participate in gym activities until account is current. You as parents and/or guardians understand this is a commitment to a team sport. It is a priority to be dedicated and finish**

the entire season (April-March) and in the event of quitting you will be fined for the hardship imposed on the team by your actions.
